Sir,

Subject - Construction of 6 Sweepers' quarters at
T Narasipur ~~at~~ at a cost of Rs. 6,400/-
as per revised estimate of the Executive
Engineer

12/4 ✓
I have the honour to forward herewith, a report No C66/44-45
dated 5-3-46 received from the President, T Narasipur Municipality
on the above subject, and to state that Government in their
order No L 3228-31/L1 69-44-24 dated 20th February 1944 sanctioned
for the above work a grant of Rs. 2000/- out of Town Improvement
grants for 1944-45 being half the cost as per the original
estimate sanctioned for Rs. 4000/-

When this estimate was sent to the Executive Engineer by the
President, for execution of work, he was presented with a revised
estimate for Rs. 6400/- for consideration which has involved an
extra cost of Rs. 2400/- (vide Executive Engineer's letter No 1640/2
dated 5-2-46 enclosed)

The Municipal Council have resolved at their meeting held
on 28-2-46 to meet this extra cost of Rs. 2400/- as per revised
estimate as well as the Municipal quota of Rs. 2000/- as per
original estimate out of the closing balance for the current
year which as per sanctioned budget for 1945-46 is expected to
remain at Rs. 8077. An extract from the sanctioned budget is en-
closed which shows the financial position of the Municipality.

I request, in these circumstances, that sanction of Govern-
ment may be obtained to meet the extra cost as well as the mun-
icipal quota of Rs. 2000/- as per original estimate out of the
closing balance of the municipality for the year 1945-46.

Plan and type design also accompany
